What's been going on in class

In Dover class for English we are reading the book 'George's Marvellous Medicine'. Through this book we have planned fun days out for Grandma and discussed the ingredients we would use for our own Marvellous Medicine. We have started work on our own piece of persuasive writing and the class will be writing to Jon to ask for something of their choice.

In Maths we have been learning about estimations. Dover have worked really hard and have found lots of different ways to help work out the answers.

Dover have enjoyed a day out at the Oxford Botanic Gardens looking at a variety of plants and flowers which will be used for their Art lessons after half-term. Within Art, Dover have had the opportunity to participate in a global competition to create a poster titled 'Journey to Peace'.

Dover have been practising their fine motor skills by continuing to practice tying their shoelaces. This is something they will continue to work on after half-term.
