

Classroom News

Class Name: Oxford Term : Autumn Term 1 2019

What we have been learning:

We have had another busy term in Oxford Class.

English

We have been reading Phillip Pullman's 'Firework Maker's Daughter'. We have been describing the different characters and explored their actions and feelings in different parts of the adventure. We have been using adjectives to write our descriptions. We have also been writing letter and diaries entries.

GO Afternoons

We have started our new GO (Guided Options afternoons). Pupils have been experiencing a range of activities during these afternoons including PE, art, music, photography and visiting the care home.

Foodwise

We have been learning about how to cook with different types of vegetables. We learnt to steam, boil, bake and fry vegetables and then learn how to make different soups containing vegetables.

Fair Visit and Cake Decoration

Some of Key Stage 4 had the opportunity to visit the fair at Newbury Show. They had a great time. The rest of the class decorated firework inspired biscuits. The finished biscuits were amazing.

Magic Moments

Amy, Ibrahima and Josh have been amazing during Maths lessons, especially using more formal calculation methods.

Ciara has been a superstar, helping out in the class and tidying up in the dining hall at lunchtime.

Maddie has been amazing during their swimming sessions with Hayley and helped other pupils to pay.

Madison has been amazing during her art sessions, at Post-16 for GO afternoon.

Duncan, Milly and Ibrahima were fantastic when out shopping for our cooking ingredients. They found all the items we needed independently and when they couldn't find something, went and asked a member of staff for help.

Ryan was amazing during our spelling lessons. He confidently identify the short and long sounds in lots of words.

Some photos of our learning
