

# Classroom News

Class Name: Richmond

Term: Spring 1 2020

Topic: My Wonderful Self

## What we have been learning this term:

We have started a new topic this term, with activities like story massage about bath time, a sensory story about going to school and songs about our body.

Charles has been encouraging pupils to explore a range of musical instruments and encounter and create sounds, playing along as Charles plays the piano, drums and accordion.

In Inclusion, pupils have been working with other classes in primary house to play team games, learn about other cultures and their traditions and try out different sports.

In art, we have been using our body to colour mix, squeezing and squashing painted colour beads with our hands. We have also explored touch using different wet and dry objects like sponges, paint brushes, tissue, bubble wrap etc.

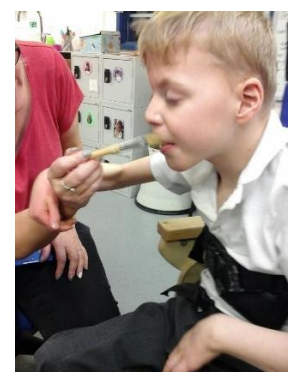

We have celebrated number day with fun number inclusion games and light and sound number activities, as well as an outdoor number hunt with friends from primary house.

There has been lots of different sensory exploration going on, from Tac Pac to story massage to tactile scented chocolate goop.

Everyone has worked hard with their exercise programmes on the trampoline, in the hydro pool or in wake-up, shake-up, as well as dance on a Friday at inclusion.

Well done everyone, we hope you all have a fun half term.

## Some photos of us!

## Dates & Points to remember:

14 February – Last day of term

24 February 2020 – Pupils first day back
