Class Name: Oxford Term : Spring term 1 2019

What we have been learning:

Some photos of our learning

Sport

Josh and Duncan took part in a football tournament at the Madejski Stadium in Reading. They played brilliantly against some very challenging teams and we were all proud at your resilience and determination. Well done to all of the boys who played!

Foodwise

This term we are looking at healthy eating. We used the laptops to research some new fruit and vegetables. We had no idea there was such thing as a 'hala fruit' or 'rolina fruit'! We also made a healthy, fresh salsa using fresh tomatoes, onions and coriander that we chopped ourselves.

Ted

Oxford Class have been reading about a teenage boy called Ted who somehow is chosen to lead the country! Ted decided that a law should be passed for all teenagers to have free football cards and that everyone in the country should have Mondays off! Maddie sparked off a great debate stating that 'doctor's wages should be higher.' This quickly lead to more ideas such as banning smoking, taking everyone's DNA at birth and allowing homeless people to fill empty houses. Everyone came up with fantastic points for and against their chosen laws and presented their ideas to the class. Fantastic job everyone!

Thank you

Coming back to school after the Christmas holidays can be tough for many of us. I would like to take this opportunity to thank every single student and member of staff at The Castle School for making me feel so welcome. So many people have gone out of their way to check in with me and offer their support. The atmosphere in school despite the cold, wet weather, is so happy and positive!

Terri ☺

Dates- Pupils break up for February half term on Friday 14th February and return back to school on Monday 24th February.
