

Classroom News

Class Name: Pembroke

Term : Spring 1 2020

Whole School Topic: My Wonderful Self

What we have been learning

Photos of our learning

This term, everyone has come back and has been working extremely hard in all areas – it has been lovely to see how independent you have all been!

English

Our topic has been 'My wonderful Self' and we have done lots of speaking and listening as well as writing about ourselves. The class have been asking and answering each other questions, writing captions for the lovely photos you sent in and talking about our likes and dislikes.

Maths

In Maths this term we have focused on size and on money. In size we have been identifying big and small, ordering objects by size, using comparative language and we even began to measure our bodies with cubes! In money we have been sorting and identifying coins, taking part in a structured shop and have really enjoyed lots of role play!

Our bodies

This term we have been looking at our bodies, Pembroke Class really enjoyed drawing around each other and labelling different parts – it led to some really interesting conversations. We have also been exploring our emotions, playing bingo, charades, role playing and talking about what can make us feel different ways.

PE

In PE this term we have started Rebound Therapy, everyone is really enjoying it and has been working towards individualised targets on the trampoline. We have also started multi-skills with Jack playing team games which is so much fun!

Special Moments:

Den building and exploring Bracknell Look Out centre parks – it was lovely to see the role play on the boat and castle!

Dates & Points to remember :

24th February – First day back

5th March – World Book Day

13th March – Sports Relief

3rd April – Last day of term
