

Classroom News

Class Name: Dover

Term : Spring 1 2020

Whole School Topic: My Wonderful Self

What we have been learning

Photos of our learning

Dover class have been very busy this term.

Within our English lessons we are continuing with our class story Mr Stink. As a class we have been discussing feelings that both Chloe and Mr Stink are experiencing and we have all created some lovely letters that we could send to Chloe to make her feel happier. Within Life skills we are continuing our work on emotions and developing friendships as we continue to enjoy circle time as a chance to share our positive experiences.

In maths we have all been continuing with Doodle maths and experiencing, handling and using money as well as using coins and notes to complete addition and subtraction problems.

We continue with our topic 'My Wonderful Self' and this week we have been focusing on our school. We have been looking at the school logo and discussed its origin. We have been fortunate to go for a lovely walk around the local area which has included a visit to Donnington Castle and park .It was a great pleasure to take a walk with all of the students, their behaviour, in particular their listening and observation skills, was wonderful. The students have continued their topic work by researching Donnington Castle and Dover Castle and we have enjoyed finding out some very interesting facts, especially about Dover Castle!

We have all been enjoying our weekly Go afternoon sessions which include Cookery, Gardening and Crafts as well as Makaton and Recorder. Some of our students are also participating in lunch groups and we are really enjoying our relaxation and tai chi as well as morning exercise.

Dates & Points to remember :

24th February – First day back

5th March – World Book Day

13th March – Sports Relief

3rd April – Last day of term
