Class Name: Flint

Term: Summer 2

We have finally arrived at the end of this strange and interrupted year!

Recently, we managed to get offsite and take part in some trips. We were very lucky with the weather and had an awesome morning at Snelsmore Common. It was so good to get out in nature and play some outdoor games – it was wonderful to see them be silly and enjoy each other's company!

The students have continued to work really hard right up until the end of term. We have cooked a range of different meals, from Full English Breakfasts to Pork Kebabs with a cous cous salad! The independence on show in the kitchen has been fantastic to see!

In addition to this, we explored relationships and what they mean for individuals in different times of their lives. It was brilliant to hear the mature views and opinions from everyone about relationships and interacting with others!

As the year comes to an end, Flint Class says goodbye to three young men. We wish Gareth, Clay and Alfie all the luck in the world for their next step after Castle School and we will miss them dearly!

Have a great Summer Holiday! From Flint Class Team

Dates & Points to remember:

Back to School – Friday 3rd September
