Class Name: Cardiff Term : Summer 2 2021

What we have been learning:

Well what a year it has been! We have had a blast in Cardiff Class and we will all be sad to go in different directions at the end of term. But we have lots of amazing memories from this year.

We have done lots of exciting things this term but the highlight was our water play session in the sunshine. What fun!

Every single pupil in Cardiff Class has had magic moments this year.

Benjamin we love you smiles and laughs when you play tickles with Meg.

William and Matthew, Liz loved playing the game when you paused her with your magic remote control.

Theo, you are incredible at signing and we have learnt so much from you.

Henry, we are so proud of how you have explored so many different foods and your outstanding manners.

Bobby, your communication has increase so much and we will remember your amazing use of your communication book.

Vishnu, your smile is fabulous and you are very clever at being able to tell us what you want. Marley and Taksheel, we are proud of how you tell us what you want and the words you are beginning to say.

George, your love for staff phrases and your interest in our names has put a huge smile on our faces.

Congratulations to everyone in Cardiff Class for what has been achieved this year.
