

Classroom News

Class Name: Chillingham

Term: Summer 2

What we have been learning this term:

Some photos of us!

In English we have been sitting and sharing the story 'The Train Ride'. The children have been using symbols to say what they can see in the picture.

In our Maths bucket time we have been focusing on numbers; writing the number and seeing how many each number is.

In our Life Lessons bucket time our focus has been bodies and how they change during puberty.

The children have also continued to work hard on their individual workstation tasks.

WOW moments:

Amelia we loved how independent you were during sports day. You saw the activities and knew how to complete them all by yourself.

Bobby we are so proud of your reading and phonics work.

Oliver we are very impressed with your typing on the computer.

Andrew you have really enjoyed our group story times, it has been lovely watching you sit and listen to the story and saying new words.

Cameron it has been great to see you become more and more confident each time you go to Windsor and Totnes class.

Goodbye:

Cameron will be leaving Chillingham class at the end of this term and moving up to Post 16. We will all be very sad to see him go but we are excited about the opportunities Post 16 will bring him. Have a super time Cameron.

To everyone else, have a super summer holiday and the Chillingham team will see you all in September.

Dates & Points to remember:

- Tuesday 20th July – Last day of term
- Friday 3rd September – First day of term
