

# Classroom News

Class Name: Richmond

Term: Summer 2

2021

## What we have been learning this term:

This term we have carried on with our snappy art sessions and hopefully by now you would have received the finished book to enjoy over the summer holidays. The pupils really enjoyed hearing Jon read their story to the rest of the school.

It's great that we have been able to return to our rebound sessions. Thank you Jo for all your support to facilitate these sessions.

We have continued with developing the pupil's communication. A special mention to Shelby who has blown us all away with her communication using PEC's.

Recently with the beautiful weather returning we have been having inclusion at break time with Pembroke class and some lovely relationships have developed between pupils.

Unfortunately we haven't been able to organise any outdoor visits so we thought we would bring the beach to us in Richmond class. A good time was had by all. The pupils all really enjoyed exploring the sensory seaside activities of costa del Richmond.

I hope everyone has a lovely summer holiday and we will see you in September!

## Some photos of us!

## Dates & Points to remember:

- 20<sup>th</sup> July – Last day of term
- 3<sup>rd</sup> September – Start of new term
