Class Name: Pendragon Term : Summer 1 2021 Theme: Minibeasts

What we have been learning:

Our topic this term has been minibeasts. We have used this to focus on describing words in English as well as exploring non-fiction books in guided reading and moving and acting to the poem the Butterfly Ball. We also have five caterpillars in class that are pupating and we are waiting for them to become butterflies any day.

As you can see from the photos, once a week we play Maths games in Maths. This is very popular and everyone's waiting, sharing and turn taking skills are developing alongside their maths.

We have started PE again this term and are having to use the hall at the moment as the weather is so unpredictable but we are enjoying developing our skills, particularly on the scooter boards – these are a real winner.

The school woodland area opened this term and we have been able to use this each week. We have been on bug hunts, treasure hunts, done some bark rubbings and real life drawings so far. This is a really lovely new area to have and are very lucky.

In PSHE, we have been focusing on looking after ourselves and part of this has been trying new food, but also thinking about what is healthy and good for our bodies. Now we have moved on to thinking about health in other ways.

Despite all this, we still have time for cooking, choir, art, phonics, reading, morning exercise, so much...but I didn't have room for any more photos!

Have a great half term,

The Pendragon Team.

Some photos of our learning

Dates to remember

Last day of term is Friday 28th May 2021

School starts back on Monday 7th June 2021
