

Classroom News

Class Name: Chillingham

Term: Summer 1 2021

What we have been learning this term:

Some photos of us!

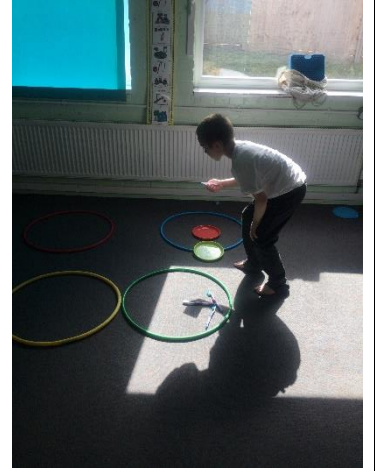

In English we have been sitting and sharing the story 'The very hungry caterpillar'. The children have been passing the story props around the circle and using symbols to join in saying what the caterpillar has eaten.

In our Maths bucket time we continued looking at in, on and under from last term, then moved on to big and small. The concentration from the children is increasing each week with them all enjoying watching the messy activities best.

In our Life Lessons bucket time our focus was personal hygiene and we are now doing road safety. We have been using the model traffic lights and pelican crossing to support their understanding of pressing the button, waiting, and then crossing the road. This has had some brilliant engagement from the children.

It has been lovely to have everyone in for a full half term and each and every one has made their own great progress.

We look forward to the rest of the summer term.

Dates & Points to remember:

- Friday 28th May – Last day of term
- Monday 7th June – Start of term
- Tuesday 20th July – Last day of term
