Term: Autumn

Kite Making

Tiverton class worked in groups to plan their kites. They chose their materials and watched videos on how to make kites.

"Me and Harvey used shopping bags, different types of tapes and a lot of string. We're found it okay and a bit hard at the same time"- *Dante and Harvey*.

"We used a skirt to make our kite and sewed the skirt in place." – *Selina and Joe* "I found sewing fun."-*Selina* "I found it okay" – *Joe.*"

"I used wooden sticks also tape. Pretty easy to make"-.*Ethan*. "I used pretty much the same materials as Ethan. I found it hard to make"-.*Alex*. "We actually used paper card wooden sticks string and tape"-.*Oscar*

And Kurt. " I found it pretty easy " – *Oscar*. "I found it difficult"-.*Kurt*.

"I used cellophane, tape, string, sticks and I put a tale on it of bows. I found making it alright". – *Dylan*. "I used sticks, string and a bin bag. I found it hard because Jasmine chose to make a bird". – *Skylar (and Jasmine)*.

Let's go fly a kite!

We went to Coombe Gibbet In the hills and "the wind was going West. It was beautiful up there". – *Harvey*. "You can see five counties". - *Dante* "I could see Newbury and Thatcham in the hills". – *Harvey*. We had a go at flying our kites. "My kite was on the ground". – *Dante*. We walked through a field, there were sheep. We went on a muddy path. There was a giant pole called a gibbet. " My kite was floating in the air" – *Oscar*. Oscar and Kurts kite worked. Joe and Selina's kite worked a bit. "Mine didn't work" – *Ethan*.

"Some kites worked successfully, some kites didn't and some were in the middle, worked and didn't work at the same time. I was scared the entire time because it's high up". - *Selina*.
