

Classroom News

Class Name: Oxford

Term: Autumn 1 2021

Topic: Navigation

What we have been learning this term:

Some photos of us!

English

In English we enjoyed the Novel *The Girl of Ink and Stars*. We created character profiles and even made our own maps to visualise the setting. We also made scrolls with the rules that we would impose if we were Governor Adori, the person in charge of the Isle of Joya. In the run up to Halloween we are creating a text map for the story 'The Unusual House' and retelling it with actions. The unusual house is made of sweets, therefore we have made our own sweet houses ready to write a descriptive paragraph.

Spelling

We've been working really hard on our spellings so far this term. We have enjoyed using the spelling challenge cards and the phonics resources to physically build words. We're all already so much more confidently to have ago at using our phonics knowledge independently in our writing.

Spanish

Emily has been teaching us Spanish! We have created project books all out us. In our books so far we have covered, how to say what our favourite food is, our favourite colour and even talk about who we live with at home. We can't wait to bring them home and share them with you!

Maths

This term our focus has been on number, addition, subtraction and multiplication. We have been using objects to help us gain a deeper understanding of how these operations work ready for next term when we will look at using them in a real life context.

Go afternoon

We have been lucky to have some great opportunities in GO this term. We have been offered PE, computing, sewing and yoga. In computing we have learnt how to take a computer apart, rebuild it and connect it to the internet!

Important dates:

Friday 22nd October -last day of term

Monday 1st November-all pupils return to school

Tuesday 2nd November-school photographs
