Class Name: Richmond Term: Autumn 1 2020

What we have been learning this term:

This term has been about a return to school and school routines, as well as reconnecting with friends and staff.

We have been enjoying Primary House inclusion, playtime and inclusion in music therapy, as well as seeing friends at other times too.

As part of the Autumn topic we have explored activities like leaf prints, conker rolling, Autumn walks, planting acorns and time experiencing the sensory garden.

In the lead up to Halloween we have had fun with a (not too) spooky sensory story, pumpkin candle time, making edible spiders and pumpkin seed shakers.

We have had extra music sessions with Charles and will continue to have twice weekly music with Charles until Christmas, when we swap to twice weekly art with Renee. Charles has sung a musical sensory story about a bear and explored different instruments and sounds with the children.

Cathy has reintroduced the class to music therapy, encouraging the children to have fun with music making and move to the music with foot taps and arm stretches.

There will be a class disco on the last day of term, enjoying lights and music to celebrate a fun term.

It has been great fun all being back together and we're looking forward to the Christmas term with lots of festive fun to come. The children have also loved Jon's zoom assemblies every week, especially his story telling. We hope this continues as it has cheered us all up.

Have a happy and relaxing half term everyone, from the Richmond Team.

Some photos of our learning

Dates & Points to remember:

- Monday 2nd November 2020 – Start of next term
- Friday 18th December 2020 – Last day of term

Happy Half Term
