

Classroom News

Class Name: Flint

Term: Autumn 1

2020

What we have been learning this term:

Some photos of our learning

What a wonderful start back to day to day life at Post – 16!! It has been amazing to witness the enthusiasm and willingness from all of the students about getting back into a routine. As well as our existing members of Flint Class, we have had new students that have transitioned beautifully from Main Site. There have been times where you would not have realised we had a substantial amount of time away from education!!

In Flint Class this term, we have focused on giving the students a sense of belonging at Post – 16 and establishing secure and trusting relationships with each other and staff. In order to effectively do this, we wanted to create a safe, comforting and most of all fun environment. This has included many different activities which range from our own version of Taskmaster to Wellbeing sessions that enable the students to explore their emotions and feelings around all of the uncertainty in the world right now!

We started cooking sessions ASAP, as we all agreed on the important life skill that is cooking and the fun you can have with it. The students have cooked a variety of dishes from burgers, to pasta dishes, to fajitas and a few puddings too.

There have been several opportunities in our timetable to explore the way we think and how we form our personal beliefs. It has been brilliant to observe the open and honest conversations the young people have had around some challenging topics.

We will begin to return to a more structured timetable after half term. Have a lovely week off!

Dates & Points to remember:

- Monday 2nd November 2020 – Start of next term
- Friday 18th December 2020 – Last day of term
