

Classroom News

Class Name: Dover

Term: Autumn 1

2020

What we have been learning this term:

We have loved having Dover Class back this term and everyone has returned with an incredibly attitude towards their own learning! It has been lovely to return to school with the whole of Green Bubble and we have all enjoyed spending time with the other classes.

This term we have really focused on our reading and the whole class have been practising daily. Dover visit Balmoral and Skipton Class weekly to share a story they have chosen, it's lovely to see Dover finding a story that the other students would enjoy rather than just choosing a book they like.

We have also spent a lot of time being very hands-on with our learning. Dover listened to a variety of songs, ranging from Nu Metal to Classical, and used their hands to paint the tables to the music. This created some interesting pieces of art where you could see a range of different textures within their art depending on how the music made them feel. After making our own moon sand the students entered themselves into a sandcastle competition and regularly enjoy relaxing with their scented playdough they have made themselves.

Within cooking, through research and a class vote, Dover Class have decided to focus on food from Spain and have found Spanish recipes which they would like to try. We especially enjoyed squishing all the ingredients together to make gazpacho – this got very messy!

This term we have really enjoyed spending time as a class and getting to know each other. All of Dover Class made their own jigsaw piece full of everything that makes them happy and who they are, these have been pieced together alongside a whole class photo and is proudly on display inside the classroom – please see the next page to see this in its final form!

Have a fantastic half term!
Dover Team!

Some photos of our learning

Dates & Points to remember:

- Monday 2nd November 2020 – Start of next term
- Friday 18th December 2020 – Last day of term
