

# Classroom News

**Class Name:** Skipton

**Term :** Autumn 1 2020

**Whole School Topic:** Recovery

## *What's been going on?*

We cannot believe that we are at the end of Autumn Term 1! Skipton Class have settled into new routines well and have impressed staff with their maturity, enthusiasm and positive attitudes towards learning. They have also shown that they are a very helpful and caring bunch! 😊

The children have enjoyed lots of outdoor play particularly on the summer days (it seems a while ago now!) where the temperature had been increasingly hot. This sparked a conversation about how playing in the heat can make us sweaty. The children have learnt what deodorant is, how it works and why they may need to use it. They were amazed and excited to hear about all the different scents and types they would be able to find in the shops! This also led into activities based around learning to keep themselves clean. The children have learnt how often they need to have a bath/shower and the parts of the body they need to pay particular attention to when washing. They enjoyed looking, feeling and smelling a range of shampoos, body washes and soaps.

Pupils have also really enjoyed wake up shake up, their cooking sessions, visiting the school library and choosing a book to read, making picture trails for other classes, assemblies and inclusion sessions on Friday afternoons. They love sharing activities with other pupils and having the freedom to move around a variety of places within the Green Bubble. They have particularly enjoyed having their lunch in the Hall with the secondary pupils

Have a wonderful half term.

*The Skipton Team* 😊
