

Classroom News

Class Name: Wallingford

Term: Autumn 1 2020

What we have been learning this term:

We have had a very exciting start back...

This Septembers return has been very positive for Wallingford class. We have been really pleased to see so many want to come back to school and *get on with it!*

This term we have focused on ourselves, our team work, our creativity and lots of fun! Our weekly taskmaster sessions have provided opportunity for the most outrageously silly tasks that incorporate competitively, sharing, creativity and great banter.

The farm has been a big hit for the boys of the class and the Tuesday girls group have dived into a personal art project based around their favourite topic- The Simpsons!

We have focused a lot on social skills and discussions as a class/small groups. We have covered many different topics and always go back to the current news. The class have been confident and open with questions, which has given us opportunities to discuss and reflect on this last year.

A very big highlight for me is the effort and energy given during P.E lessons. Every member of the class has tried new sports, given their all and raised their pulse! This is a small moment that represents the spirit of Wallingford class currently. It is great to have so much enthusiasm and participation and long may it continue!

Have a great half term,

Aaron and The Wallingford Team

Some photos of our learning

Dates & Points to remember:

- Monday 2nd November 2020 – Start of next term
- Friday 18th December 2020 – Last day of term
