

Classroom News

Class Name: Balmoral Class

Term: Autumn 1

2020

What we have been learning this term:

What a fantastic start we have had to a new school year. The children have impressed us all by returning to school showing great maturity and focus. They have shared that they were particularly pleased to be able to see and play with their friends again.

We have been very fortunate to welcome some new pupils to our bubble too. Spencer, Ashrith and Dylan have all joined Balmoral Class and Amy has commented that the boys have settled very well into their new routines and are have developed good friendships with their peers too.

Since returning the children have immersed themselves in the Recovery Curriculum which has been used as a tool to help provide us with a wide variety of exciting activities to enjoy including chair chase, story massage time and doh- disco.

The children have also been exploring their environment with the help of the class mascot 'Balmoral Bee'. He has sent the children lots of activities to enjoy including a bee hunt, honeycomb making and cupcake creating. He has also helped show us how to 'bee' kind, calm and considerate of others by teaching us how to manage our emotions. They particular enjoyed playing Emotions Bingo! More recently the children have enjoyed learning about the growth and harvest of plants and the foods in which they provide. They since have planted their very own broad beans and have enjoyed watching them grow.

Magic Moments

Ashrith – it's been lovely to hear how you have been sharing your school experiences at home with Mummy and Daddy, very good communication. Well done!

Dylan F – For taking turns and playing a ball game with a student from Skipton class.

Dylan M – For displaying great patience and allowing the teachers to support his peers in times of frustration.

Some photos of our learning

Dates and events

Monday 2nd November – Start of Term

Friday 18th December – End of Term
