Class Name: Chillingham

Term: Spring 2

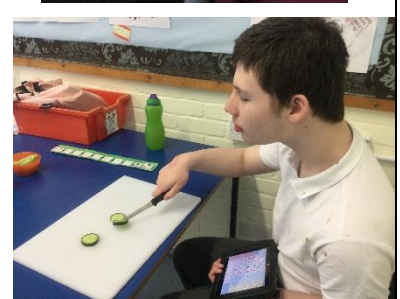

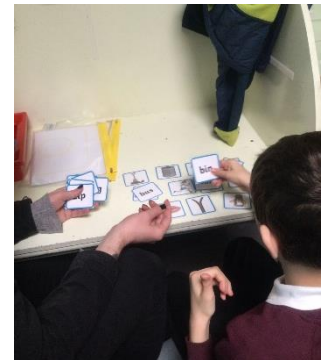

What we have been learning this term:

The Spring term has been another very different term with most of the class being at home during lockdown. It is great to finally have the class back together and I am so impressed with how all of the children have come back into school. They have got straight back into the morning routine of circle time and completing their individual workstation tasks.

In the afternoons, we have been doing a lot of work around using cutlery. In fine motor skills the children have been using spoons, tongs and forks to pick up and move different items in bowls. In cooking, the children have made salad and fruit salad to practice their cutting skills.

Some photos of us!

Have a super Easter break and we look forward to welcoming you all back in the summer term.
