

Classroom News

Class Name: Richmond

Term: Spring 2

What we have been learning this term:

This term has been about a return to school and school routines, as well as reconnecting with friend's and staff. In the top photo as you can see we have our new Teaching Assistant Chelsea who has joined our class.

As part of our new topic called New Beginnings, we planted some bulbs and made a Mother's Day card to take home. As the weather has started to get warmer and brighter we have been taking the children outside at play time as part of our inclusion and some lovely relationships have started to develop.

Our messy play sessions have been a huge hit with the children but maybe not with the cleaners who find remnants of the fun we have had. Another new activity we have introduced are the light boards which the children have really enjoyed using their mark making skills on.

During our newly developed circle time the children are encouraged to make choices and communicate preferences on who they would like to go next and on sharing their news, weather and how they are feeling.

During our music sessions with Charles we have been looking at a new music sensory song called Spring Bear which is about a bear waking up and exploring the new season. We have been using sensory items to represent what he encounters on his journey. Also Cathy our music therapist has returned and reintroduced the class to music therapy.

Some photos of us!

Dates & Points to remember:

Thursday 1st April - Last Day of Term
Monday 19th April – Start of next term
