Class Name: Colchester

Term: Term 1 2022-2023

What we have been learning this term:

What a brilliant first term done and all of the children have settled in brilliantly!

In English this term, we have looked at working on our letter formation and how we can steadily improve our handwriting. We looked at areas of Antarctica (as part of our topic "All Around The World") and looked at a story about two penguins floating astray on an iceberg.

In Maths, we have played various games to support our learning and used the jelly fishes to work together in small group counting games! The children have worked specifically on their addition and subtraction and finding the best strategies that would help them when faced with challenges.

In our Monday topic lessons, we have joined Tiverton and Dover Class to look at explorers! It is great to get some planned inclusion time with other Key Stage 3 classes and we most recently learnt about Christopher Columbus and why he is known as a famous explorer!

On Friday mornings, we have been able to use the woodland area and it has been great to see the class using the environment to build little structures and dens. As well as this we have used the time, to build relationships through playing with each which is so important at this stage of the year.

Have a great half term everyone!

Kieron and the Colchester Class Team

Some photos of us!

Dates & Points to remember:

Wednesday 9th November – Cinema Trip
Tuesday 29th November – Corn Exchange Panto
Friday 16th December – End of Term
