Class Name: Winchester

Term 1 2022-2023

Topic: Heroes and Villains

What we have been learning this term:

What a first term for Winchester Class! Everyone has settled in so well, showing perseverance and determination to work through their worries and feelings.

This term in English we have been exploring Ancient Tales, primarily Two Dinners by Trish Cooke. Winchester Class thrive through debate and discussion and it has been wonderful to witness each student considering different points of view and perspectives.

In maths we have been working with place value, using Base 10 to help with calculations of large numbers. We are moving into operations and using our verbal reasoning to find answers to word problems.

In science we are learning about organisms and cells under the topic Cells are Alive. This week has brought interesting discussion about scientific questions; can it be measured and is there an answer...?

In PSHE we have been discovering the Zones of Regulation and how this can help us to understand what we are feeling. Winchester Class have been open and trusting, talking about their experiences to help them understand their own emotions and times of dysregulation.

As budding chefs, we have cooked rocky road, potato skins, muffins, spaghetti with tomato sauce and pancakes. (Not to eat at the same time, though!)

For enrichment so far, we have been on weekly nature walks, enjoyed activities at Thirtover Place, climbed walls at parkour and jumped at gymnastics. Next term we are looking forward to visiting an animal care farm called Smelly Wellies, learning music with Culture Mix, and rock climbing.

It has been a wonderful first few weeks and we are very excited for the year ahead!

Some photos of us!

Dates & Points to remember:

From after half term, please remember:

Monday – wellies

Tuesday – PE kit

Thursday – wellies

Friday – PE kit
