

# Classroom News

Class Name: Balmoral

Term: Term 1 2022-2023

Topic: All About Me

## What we have been learning this term:

We have had a busy and fantastic first term back! We have spent lots of time getting to know each other and settling into our new routines.

Our topic this term is 'All About Me'. We have been looking in a mirror to make our own self-portraits. We have talked about how our faces look different and discussed the features we have. We have also explored our topic in a weekly **Adventure Time**. We have painted pictures of our families and even made them out of mud!

In **English** we have been listening to a short sensory story on 'The BFG' by Roald Dahl. We have taken part using instruments, bubbles, and cloth, answered questions about what we have read, explored different foods and written about what we liked and disliked about the story.

In **Maths** we have been focusing on number, looking at number bonds to 10, number sequences and creating addition sentences.

We have been enjoying regular **Bucket Time** sessions. Everybody has been really engaged and have enjoyed taking turns in the activities.

It has been lovely to continue our other activities around the school, including exploring the **Woodland Area** and visiting the **Soft Play** and **Multi-Sensory Room**.

We have also enjoyed sessions with our specialist teachers including **PE**, **Art** and **Music**.

It has been wonderful getting to know everybody and we wish you all a lovely half term.

- The Balmoral Team 😊
