

Classroom News

Class Name: Chillingham

Term: Autumn 1 2022

Topic: All About Me

What we have been learning this term:

This term our topic has been All About Me. In English the children have been learning about their facial features, likes and dislikes and their family. They have been completing work that is bespoke to them in each of these areas.

In maths we have focussed on the same versus different. The children have explored different ways of finding the same and some children have been spotting the one that is different out of a collection of objects or pictures.

In Life lessons we have been looking at our facial features and the differences between ours and others. We have looked at different colours of eyes and hair.

Music and Drama have been a huge success this term. The children have all sat together as a class to exploring different instruments and songs in music and take an Autumn adventure in Drama. The children have been taking turns and sharing resources beautifully.

In cooking each week we have been making face pizzas. Every week the children have become more independent at making their own pizza. It has also been a great time for food exploration.

Next term our topic will be light and dark.

Some photos of us!

Dates & Points to remember:

21st October – Last day of term

31st October – First day of term
