Class Name: Pendennis Term : Autumn 1 2022 Theme: Pole to Pole

What we have been learning:

Some photos of our learning

Hello all,

Pendennis class have been settling into their new environment and enjoying exploring it. We have our own outside area that gets used for all sorts of messy play and a couple of nice rooms for some sensory time or time out.

This term in English we have been listening to a different story each week and then completing activities related to it. We have been reviewing the books at the end of each week too.

Each day we always spend time practising our maths, phonics, reading and writing as well as working on our communication skills.

The afternoons are always full of fun. We have enjoyed making pastry in cooking and filling it with jams and different things to make quiche. In art we have been learning to draw ourselves, starting with looking at our faces.

Wednesday's are our gross and fine motor skills day with PE and sewing activities. We have enjoyed science and sensory tasks, music with Charles and drama with Anna.

Oh! I must not forget we are learning to share and take turns once a week as part of PSHE, we have RE, geography...choir, just so much!

Have a great half term,

The Pendennis Team.

Dates to remember

Last day of term is Friday 21st October 2022

School starts back on Monday 31st October 2022
