

Classroom News

Class Name: Barry

Term : Autumn 1 2025

Topic: Knowing me, Knowing you!

What's been going on?

Hello and a warm welcome to our first newsletter of the school year.

What a busy half term we have had in Barry class. It feels like we haven't stopped learning. Everyone has settled in well into their new classroom and transitions into school have been amazing. We have got used to the new routines and making new friends.

Our topic has been Knowing me, Knowing you! and we have been learning about ourselves and our bodies. We have been learning about our emotions and how they can make us feel. We have started with some exercise and some sensory circuits to understand how to get our bodies moving.

We have been working hard on developing our independence skills and this term we have been working on our spreading skills. It's tricky to spread onto a piece of toast but we all enjoy choosing our toppings and getting to eat the hard work after.

As part of our topic, we have been learning about the passing of time. This means this term we have been enjoying all that Autumn has to offer us. We explored a pumpkin together feeling the different between something heavy and light. We then used our fine motor skills to work hard at getting out the gooey middle. Some of us were not so keen on the stringy middle but some of us loved getting messy.

We have been learning some core words around the topic of Autumn. We enjoyed sharing the story of The Leaf Thief together and exploring some beautiful leaves in a variety of different colours. We chose paint to create an Autumn tree, again using our fine motor skills to perfect our art.

Thank you so much everyone for your continued support. It's been lovely to share your news from home this term and everyone enjoys having things to share.

Have a wonderful half term. See you after the holidays

The BarryTeam
