Class Name: Lincoln

Term 1 2025-2026

What we have been doing this term:

Lincoln have had an excellent start to the year! Students have settled in wonderfully, building positive friendships and showing enthusiasm, resilience, and teamwork in everything they do.

In **Maths**, we've been working on **BIDMAS** and **Sequences**, developing confidence and accuracy in our problem-solving skills. In **English**, we've explored a variety of texts — from fascinating historical extracts to thought-provoking pieces about the impact of robots — inspiring some brilliant discussions.

Our **cooking sessions** have been a real highlight this term, with students enjoying the chance to create savoury rice, carrot cupcakes, frittatas, and scones.

In **Science**, we've explored **Earth system**. Lincoln especially enjoyed learning about clouds and identifying the different types in the sky.

Through our **World of Work** topic, students have researched various job families and explored careers that inspire them. In **ICT**, we've been developing our digital creativity by editing images — we already have some talented editors in the making!

Our **offsite activities** have also been a huge success. From **Parkour** and **Climbing** to **Earth Trust** and **Smelly Wellies**, students have approached every experience with positivity and determination.

It's been a fantastic term full of learning, creativity, and growth. We're incredibly proud of everything Lincoln have achieved and can't wait to see what next term brings!

Have a great half term!

Lincoln Team

Gabs, Lauren, Kirsty, Jonny, Maria and Denise.

Some photos of us!

Dates & Points to remember:

Last day of term: Friday 24th October

First day back: Monday 3rd November
