Class Name: Conway Term : Autumn 1 2025 Super Special Me!

What we have been learning

What a fabulous start to the year in Conway Class!

We are so proud of how quickly the children have settled and formed positive relationships with the staff. It has been heart warming to see so many smiling faces on a morning and the children have adapted well to their new class routines.

Our main focus this half term has been based around getting to know each other and our routines. Your little ones have taught us so much about themselves and we are so excited for the year ahead!

Day to day, the children have been busy exploring their indoor and outdoor environment and developing their independence along the way.

In English this term, the children have loved looking at their My Family Books and matching the labels to each family member. It was lovely to see their faces light up when they looked at your pictures!

In Maths we have been listening to counting songs, identifying the order of numbers as well as comparing big and small. We've even been working with 2D shapes and naming them.

Our topic has been Super Special Me! And we have looked at our faces as well as our bodies and sang Heads Shoulders Knees and Toes to help us start thinking about our different body parts and what they can do.

The children have been amazing at getting stuck in and trying new things. We can't wait to see where our learning takes us after half term!

Have a lovely break everybody!

Catherine, Kirstie, Nicki, Holly, Rhí and Josie 😊
