

Classroom News

Class Name: Dover

Term 1 2025-2026

Topic: Me – Identity and Theory of Mind

What we have been doing this term:

This term has been all about getting to know each other, developing our sense of self and settling into our new Dover Class whilst exploring our topic of 'Me'.

Tea and Cake Event

It was wonderful to see so many parents and carers come to the tea and cake event that we had in the first few weeks. Dover class used both their literacy and maths skills in writing invitations, planning the recipe and cooking in preparation for it. We hope you enjoyed seeing the photos too, as well as tasting and eating the cake.

Dover Dragon's Den

As part of the Agricultural Challenge that Dover class have entered, the first step was to present their 'pitch' for £100 to Jon and Atul for supplies. From idea sharing, to guided writing and exploring the use of persuasive techniques the class created a detailed presentation on what was needed, the reasoning behind it and the positive impact for students and the school. We are pleased to report that £100 was awarded and some of the money has already been used to purchase some daffodil bulbs on our recent trip to the Garden Centre.

Shopping + Cooking

Dover class have also been going out in the minibus each week to buy their ingredients for cooking the following day. So far, we have made bread rolls, pitta pizzas, flapjacks and brownies to name but a few. We hope you all enjoyed them.

Lastly, I wanted to say how pleased and proud I am of all the students in Dover, they have worked incredibly hard this term and to share in that success be it academically, socially and emotionally is a real privilege. Thank you so much for all your support this term, engaging with parents evening, events and sharing updates.

Some photos of us!

Dates & Points to remember:

Last day of term: Friday 24th October

First day back: Monday 3rd November

Cinema Trip: Wednesday 12th November + Wednesday 19th November
