

Classroom News

Class Name: Wallingford

Topic: My First Car

Term: Autumn 2 2022

What we have been learning this term:

Some photos of us!

We started the term and our new topic with a trip to Beaulieu National Motor Museum. We had a lovely day looking around the different cars there and had a trip on the monorail. Everyone enjoyed the day so much! We have used what we saw to help us to design our own cars. We have enjoyed making our own cars, including using a hacksaw to cut the axles ourselves.

In our English groups, some of us have been looking at the history of transport. We have labelled the parts of a car and found out about different cars such as early cars and special cars. We have been looking at writing sentences with full stops, capital letters, question and exclamation marks. In maths we have been focusing on reading calendars, days, months and seasons. We have also been practising telling the time.

In cooking, we have made a range of sweet and savoury foods including toasties and baked apples. We have been practicing using kitchen equipment safely, particularly using knives and an apple corer. We are now busy making some Christmas surprises to bring home at the end of term – ssshhh! 😊

Alongside our cooking, we have been looking at personal hygiene in our life lessons. We learnt the importance of washing hands properly to keep ourselves and everyone healthy. We have also looked at why we need to shower, use deodorant and clean our teeth daily.

In drama with Anna, we have been lucky enough to have been taking part in a joint project with Interakt at the Rugby Club, acting out the story of Rama and Sita. Their play was even filmed and they had a grand premier of the film with popcorn and cakes – well done Wallingford!

Have a lovely Christmas!
Karen, Sandra, Ray and Jessie

Dates & Points to remember:

End of term - Friday 16th December 2022

School starts back – Wednesday 4th January 2023

Trip to Pizza Express – Wednesday 8th February 2023
