Class Name: Lulworth

Term: Term 2 2022-2023

Topic: Heroes and Villains

What we have been learning this term:

It's been another busy term in Lulworth Class and we can't believe it's already the Christmas holidays!

We've been focusing on multiplication within maths this term. Students have been able to match arrays to the correct written sum and use this knowledge to discuss the connection between multiplication and division. We have continued to enjoy cooking, students have found recipes they'd like to cook and work out the ingredients needed to successfully make their chosen recipe.

In English we have started learning about Sherlock Holmes. Students have been using the game Cluedo to build their interest and increase their detective skills.

Students have been very active during their trips this term. At EarthTrust, students have been climbing the big hill to take in the stunning views from the top, made name tags, made Christmas wreaths and searched for living things in nature – some students even found a newt.

Students have been spending time with the animals at Smelly Wellies, they have been responsible for helping clean and feed the animals with time to just enjoy the company and comfort these animals offer.

Some students have been able to continue their climbing skills, helping them gain the confidence to go higher up on the walls.

Parkour has been great for boosting the confidence of all our students. They've continued to support each other and offer words of encouragement when needed.

During our weekly visit to the gym, students have enjoyed challenging adults to see how fast they can sprint and working out which muscles are used for each of the cardio machines.

Have a lovely Christmas,
Lulworth Team 😊

Some photos of us!

Dates & Points to remember:

Last day of term: Friday 16th December 2022
First day back: Wednesday 4th January 2023
Last day of term: Friday 10th February 2023
