Class Name: Colchester

Term: Term 2 2022-2023

Topic: Around the World

## What we have been learning this term:

What a busy, festive time we have had this term!

As a school, we were very fortunate to attend the Jack & The Beanstalk Pantomime at the Corn Exchange. The children really enjoyed the silliness that a pantomime provides and got involved with some audience participation interacting with the cast members.

In the first half of this term, we used our Monday afternoons to explore our topic All Around the World. We joined up with the other classes in Key Stage 3 and set up in the hall to think about lots of different explorers and what they may have found.

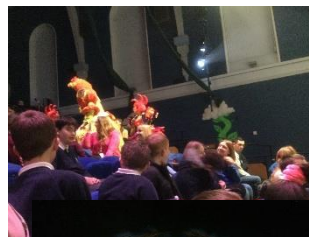

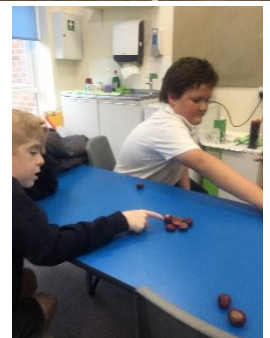

In addition to this, we have continued to enjoy our Tuesday morning cooking sessions and how to work in small groups. In particular, the cheese straws were a success!

As some of you may have seen this week, the class did amazingly well practicing and performing their Home Alone scenes for the Christmas performance. They worked so hard for the couple of weeks building up to the performance and even though there was some anxiety around performing on the stage, the children were very brave and all contributed brilliantly!

We hope everyone has a happy and peaceful Christmas and well done Colchester on another busy term at school!

Kieron and the Colchester Team
