Class Name: Totnes Term: Autumn Term 2 2022-2023 Topic: Location, Location, Location

What we have been learning this term:

Practicing wrapping skills

Essential skills

This half-term, in Maths, we have focused on developing our knowledge of number facts and relationships. Then on how to group and make different values with coins. In English, we practiced recounting to each other, working on delivery, sequence, sentence structure and punctuation.

Life Lessons

Totnes have taken a very mature and sensible approach to learning about sex and relationships this term, focusing on consent, identity and puberty.

We have had two trips to the movies in November, all the class behaving beautifully. We have had a fantastic time coming together to rehearse and perform our play in the Christmas performance, doing a Totnes Secret Santa, creating a Christmas song and more. This class is a warm and inviting group that have left the staff in awe.

Wishing you happy holidays and a fabulous New Year,
Tim Regan Class Teacher
