## Classroom News

Class Name: Cardiff Term: Autumn 2 2022

What we have been learning:

We have had another busy term. Out topic this term has been 'Light and dark'.

We have been reading 'The owl who was afraid of the dark' and exploring lots of lights and making shadows. In cooking we have been working on making sandwiches. And of course we have been taking part in lots of Christmas activities.

## Magic moments

Lily, we are so proud of how you've explored food and especially how you embraced our mince pies! Lexie, you have been brilliant at communicating with us especially telling us when you needed to bathroom by banging on the toilet door.

Bobby, you have been communicating brilliantly using Makaton. Your signing of the names of the Paw patrol characters and animals has been amazing to watch.

Thomas, you have worked so hard to use you eyegaze to communicate. We were so proud when you told us very strongly you didn't want to go outside.

Leo, you have really worked hard to match letters and words. Amazing!

Freya, we have loved watching you using our song choice board to tell us what you wanted to watch. You even went to get the board from Liz's desk when you decided that Liz's lesson wasn't interesting enough and you'd rather watch 'Your welcome'. Hafsah, it has been wonderful seeing you playing with the adults and laughing and giggling when they chase and tickle you. You have also worked really hard to start using your PECs book to ask for your favourite toy.

Sienna, you have got a great sense of humour and you have been brilliant at getting the staff to chase you in the playground, by saying 'go' to make them start running.

We all hope you have lovely Christmas and we'll see you again on Wednesday 4th January.
