Class Name: Cardiff

Term : Autumn 2 2024

Starry Starry Night

What we have been learning:

Some photos of our learning

We are sensational! We have continued to have the most amazing time in Cardiff and have enjoyed learning about planets and stars and then of course lots of festive fun too!

Circle Time has continued to be incredible with everyone saying hello using the switch and selecting the symbol to show how they are feeling. We love the C-Beebies day song and then wait in anticipation for 'How's the Weather'. Attention Autism has continued to develop and the excitement of 'What's Next!' is captivating everyone. I think the favourite has to be the bubble snake!

In phonics we have started to recognise the sounds, s and a, to include what starts with these sounds. In maths we have learnt the simple shapes of circle, square, triangle and rectangle, matching these and then finding in everyday objects. Our fine motor skills are developing too, through overwriting, threading and finding objects in tough trays.

We have loved so many sensory experiences too, to include shaving foam, corn-flour and moon dough.

Hydro is the highlight of the week. Cardiff Class are definitely confident in the water.

We just wanted to take the opportunity to wish you all the most wonderful Christmas and peaceful New Year. Take care, Jo, Chelsea, Shannon, Cath @ Chloe

Important Dates:

Tuesday 7th January – Term 3 Starts

Friday 14th February – Term 3 Ends

Monday 24th February – Term 4 Starts

MERRY CHRISTMAS
