

Classroom News

Class Name: Flint

Term: Spring 1 2023

What we have been doing this term:

Flint began the new year with a review of 2022 where students were encouraged to look at their best parts of the previous year. It was wonderful to see how many of them wrote that their proudest moment was passing their Functional Skills examinations.

In Mathematics, the classes have been looking at grid references and they are continuing their study of the times tables. In English, students have been continuing with their spellings and looking at specific elements of the papers to prepare them for the assessments.

Marcus continues to visit Rushell Farm on Tuesdays where he has gone on long walks in the beautiful countryside, completed a treasure hunt and tended to the animals. Duncan continues his riding on Tuesday mornings; we hear he is an excellent rider.

Flint have reached the point where they are cooking meals almost entirely independently. They have cooked a variety of dishes this term, including chicken curry, macaroni cheese and garlic bread, pasta and meatballs. They have been busy with the saws, the sandpaper and the setsquares, finishing their Kubb game (Viking chess), all made from a couple of fence posts. Students have also been repurposing some old milk bottle tops to make some fridge magnets. Students have been playing some fabulous football at Newbury College Sports Hall.

The wonderful WOW team have worked their magic once more. In addition to the existing placements, Ethan has been working at the Greenham Common Tower Café and Sean has begun his first work placement at Welford Park.

Some photos of us (and our cooking)!

Dates & Points to remember:

Last day of term: Friday 10th February
First day back: Monday 20th February
Last day of term: Friday 31st March

The Flint Team:
Maryjane, Chris and Siân.
