

Classroom News

Class Name: Carisbrooke Term: Spring 1

Topic: On the Move!

What we have been learning this term:

Another fabulous term, enjoying our new theme, learning about different forms of transport.

English: In English, we have been looking at non-fiction texts and the different features, locating the contents and glossary for example. We have also been looking at using paragraphs in our writing to make it easier for the reader.

Maths: We have been mastering our 2, 5 and 10 timetables this term, looking for and remembering the patterns. We then used this knowledge to solve one-step word problems.

History: Totnes join us for history and we have created a timeline of transport. This has included learning about the first car, George Stephenson the 'Father of the Railways' and making a Viking Longboat,

Life Lessons: Safety First has been this term's theme, learning not only about our own personal safety, but of others too. We have learnt what a risk is and how to avoid them and how to say if we are feeling under pressure to do something.

Cooking: Over the term, we have created a three-course meal, from the soup and bread to a Pineapple Upside Down Cake. We are quite the 'Master Chefs'

Time now to our star moments from Carisbrooke:

Charlie: It has been wonderful to see you trying new things and accepting a challenge. You were great at making a smoothie with Jan and Pam.

Layna: Wow, you mastered the 2 times table and were so proud of yourself, when you twice got 100% on Education City.

Jonny: Thank you for telling us how you feel and then saying what needs to happen next. In addition, Jonny your Scottish Dancing skills were immense!

Katie: Wow, how hard have you been working? Your contributions to class have been fabulous. We were all amazed when you shared the 10 times table.

William: We know you were so pleased to begin your Vocational Profile and talked with maturity to Lisa about your hopes for the future.

Luke: You are my 'IT Whizz', always making sure I stop, go back and try again. You also check-in daily to see that I am okay, thank you!

Alfie: We are so pleased that you are now saying 'no, I can do this on my own'. You are giving things a go and should be very proud of yourself.

Ollie: How independent are you coming in on your own, getting you dinner ready, stacking your chair. This is amazing!

Some photos of us!

Dates & Points to remember:

- **Monday 20th February 2023 – Start of Term 4**
- Thursday 23rd February – Train Workshop in school
- Tuesday 28th February – Trip to Newbury Museum
