

Classroom News

Class Name: Wallingford

Term: Term 3 2022-2023

Topic: Employ me!

What we have been learning this term:

This term we have been busy focusing on our topic 'Employ me'. We have been looking at the types of jobs that people do and thinking about what jobs we would like to do in the future. We have had visits from Louisa and Nicola from the World of Work team here, who have talked about the importance of making a good impression at interviews. We have looked at the skills we might need to have for different jobs too.

As part of the topic, we have visited work environments. Our tour of Tesco warehouse was really interesting and all the students enjoyed having a go on the tills at the end of the tour. We are all really looking forward to our visit to Pizza Express!

Franklin and Lucy have been lucky enough to have been attending a work experience placement at The Food Bank each week. They have showed that they can work hard and as part of the team there. Archie has recently started a work experience placement at Waitrose. He has made us very proud and is enjoying keeping busy stacking the shelves there.

Adam, Lucy and Marcos have enjoyed continuing their visits to Rushall Farm each week experiencing a wide range of outdoor activities.

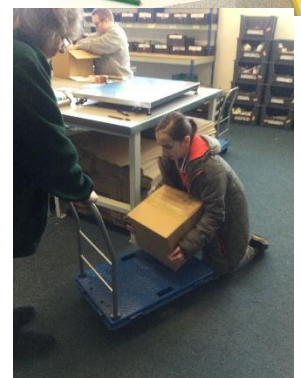

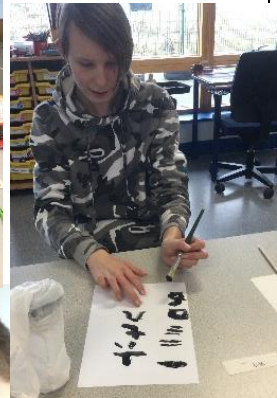

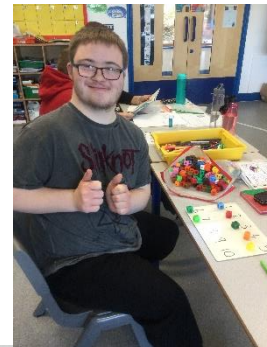

We enjoyed a breakfast workshop with Jan from the Newbury Showground education team. Highlights included making and tasting smoothies and porridge and milking Buttercup the cow.

We have been continuing with developing our independence skills. Franklin, Ollie and Connor have been doing our weekly shopping for our cooking sessions. They are working towards a café project and will be making and selling food and drinks to other students and staff at Post 16. They have visited a range of cafes to get ideas and have been busy practising their tea and coffee making skills as well as making smoothies and paninis.

We enjoyed celebrating Chinese New year with learning to write our names in Chinese and practising our chopstick skills.

Karen, Sandra, Jessie and Julie

Some photos of us!

Dates & Points to remember:

Last day of term: Friday 10th February

First day back: Monday 20th February

Trip to Newbury Library 27th February

Trip to Newbury Fire station 20th March

Last day of term: Friday 31st March
