Class Name: Cardiff Term : Spring 1 2023

What we have been learning:

This term our topic has been 'Journeys'. In English, we have been reading 'We're going on a bear hunt'. We have enjoyed exploring the story through the sensory props. We have also been focusing on matching picture and symbols of vehicles with some of us even matching words too.

In Maths, we have been exploring collections of objects, shapes and patterns.

In cooking, we have been making pizza using pizza bases and mini tortilla wraps. We really enjoyed exploring the toppings especially the raw peppers.

Magic moments-

We have had lots of magic moments again this term.

Hafsah, we have loved hearing you talk so much.

Freya, we have loved building towers with you that reach the ceiling.

Lily, we have loved watching you explore so many new foods.

Leo, we have been so impressed with how well you can complete a jigsaw puzzle.

Lexie, you are fabulous on the trampoline. Your huge smile when you are on there is infectious.

Thomas, we are very proud of how hard you have worked during your physio sessions.

Bobby, we have been so proud to see you taking the large wooden numbers and tracing round them, independently.

Sienna, we have loved watching you create your own games where you sprinkle lentils on the floor and then when staff sweep it up, you then sprinkle more on the floor, laughing at the adult.

Dates to remember-

Half term – Monday 13th to Friday 17th February

Spring 2 term starts Monday 20th February
