Class Name: Oxford Term: Spring 1

Term 3 2024-2025

Topic: Fab Fashion!

## What we have been doing this term:

This term our topic has been 'Fab Fashions'.  
In English we have explored debating about whether schools should have uniforms and advertising for clothing.

In Maths we have been exploring addition, subtraction, multiplication and division including solving word problems involving halving or doubling values.

We have been using knives to cut vegetables. We have made a selection of soups and stir fry and spring rolls for the Lunar New Year.

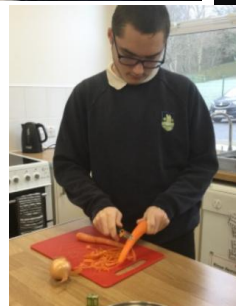

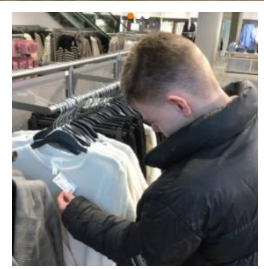

We have been learning how to sew using hand sewing and a sewing machine. We have learnt how to create a running and backstitch using a needle and thread and also using different embroidery stitches on the sewing machine.

We have been on a range of visits. We started our topic by visiting Parkway's clothing shops. We explored how shops advertise and display their clothes, what types of clothes the shops sell and the cost of their items.

We also visited 'GENerate' an art exhibition at The Base. We saw a range of art created by students aged 11 to 21 from local schools and educational establishments. We saw Jude and Ryan's sculptures. We were really impressed with all the pieces and were inspired to try and create our own, especially the fabric pieces.

We've had a busy term and are looking forward the next one. Watch this space for our fashion masterpieces.

## Some photos of us!

## Dates & Points to remember:

Last day of term: Friday 14<sup>th</sup> February  
First day back: Monday 24<sup>th</sup> February
