Class Name: Pendennis Term : Spring 2 2023 Theme: Machines

## What we have been learning:

Hello everyone,

This term we have continued with our trips out and had two successful visits; one to Costa the other to McDonalds. As you all know, we had the bike-ability people in and we all spent a lovely morning trying out different bikes. Some of us even had a go at riding bikes on our own.

As always we work on our communication, English and Maths skills during the mornings. The afternoons are filled with baking cakes in cooking, game playing and working on talking about our feelings in PSHE, in Art we have been studying the art of Pointillism and applying these techniques to our own work, we are studying forces in Science, been visiting the hydro pool weekly, going shopping and some of us enjoying choir – we are always busy!

Finally, when it someone's birthday we do like to have a bit of a party!

Have a lovely Easter break and see you all on the other side.

The Pendennis Team.

## Dates to remember

Last day of term is Friday 31<sup>st</sup> March

School starts back on Monday 17<sup>th</sup> April

## Some photos of our learning
