Class Name: Pembroke

Term: Term 4 2022-2023

Topic: Journeys

## What we have been learning this term:

This term our topic has been journeys. The book we have been focusing on is 'The Train Ride' by June Crebbin.

In English, we have been primarily focusing on our writing/ mark-making skills. We have enjoyed using a range of sensory materials, and the SmartBoard to practise.

In Maths, we have mainly focused on repeating patterns and our counting and/or addition skills. We have used a range of resources and tried to apply these skills during other lessons, such as cooking.

We have enjoyed learning the different signs of the week this term, and have even been signing along to Mr. Tumble together.

As our topic this term has been journeys, we have been learning about road safety. We had a pelican crossing resource, where we pushed the button and waited for the green man to light up and beep, before going across the zebra crossing.

And, of course, we had an Easter Egg hunt to end the term!

We hope you have a lovely Easter break!
