Classroom News

Class Name: Wallingford   Term: Term 4 2022-2023   Topic: Employ me!

What we have been learning this term:	Some photos of us!

What a busy short half term it has been! We started the term with making pancakes and had pancake races which were a lot of fun! We have been continuing with our 'Employ me!' topic and have looked at health and safety in the workplace. We visited Newbury Library to see what types of jobs people do there and also visited the Fire station.

We celebrated World Book day by looking at the book Flanimals by Ricky Gervais. We have been drawing our own Flanimal monsters - painting them, making them out of collage and using an online app to create an electronic version. Some of us have been finding adjectives to describe them in our English lessons and writing descriptive paragraphs about them. We also visited WHSmiths to choose our own books with our World Book Day tokens.

Archie completed his work experience placement this term at Waitrose and Lucy has started a placement at Fair Close Day centre. We are very proud of how they have done - well done to them both!

Some of us have been working on a café project. We visited a range of local cafés to see what they sell and the prices they charge. We then made taster food items to see what people would like to buy in our café. Next we made menus and order forms using MS Word on the laptops. We visited all Post 16 staff to ask them if they would like to order from 'Wally's Café'. We then made the orders such as paninis, smoothies, tea and luxury hot chocolate, delivered it to the staff and took the money – well done Wallingford class!

We have started to look at coding using the app Scratch Jr to make our own characters and code them to make the characters move across the screen or talk to other characters. We have also learnt about online safety.

We were all extremely proud of how well they all played at the Table Cricket tournament representing our school!

Have a lovely Easter holiday!

Karen, Sandra, Jessie and Julie
