

Classroom News

Class Name: Winchester

Term: Term 4 2022-2023

Topic: Friendship

What we have been learning this term:

It's been a very creative term in Winchester. We have enjoyed learning new skills in art and developing our pizza recipes.

We have continued our work on Zones of Regulation, exploring expected and unexpected situations and how these can make us feel. The Social Emotional Chain Reaction is helping us to understand the cause and effect of actions and reactions and how we can try to break the cycle.

In English this term we have engaged in Creative Writing, Rocking Writers and Book Detectives lessons. We have made huge steps in writing our own short stories and our work in Rocking Writers has supported our punctuation and grammar.

In maths we have been learning about factors and multiples. We have used bar models and arrays to help us answer questions.

In art we have been exploring self-expression. We've created outfits that we'd like to wear and drawn expressions on cartoon characters. We noticed how much our eyebrows tell us about how someone is feeling.

Our development of pizza recipes this term has been very exciting. We started off making a base from flour and yoghurt. This progressed into making a dessert pizza recipe which was enjoyed by all!

In recent weeks, we have been working on our social skills by playing games with each other. We now enjoy daily games of UNO, Dobble and Cluedo!

Thank you, Winchester Class, for another wonderful term. We wish you a happy and safe Easter break.

Alicia, Karin, Emily, Lauren P and Lauren B 😊

Some photos of us!

Dates & Points to remember:

Last day of term: Friday 31st March

First day back: Monday 17th April
