

# Classroom News

**Class Name:** Dover

**Term :** Spring 2 2023

**Topic:** Transport

## *What's been going on?*

In English, we have been looking at Wallace and Gromit's 'The Wrong Trousers.' Students have enjoyed reading parts of the story and then watching clips from the film. From this, they have completed comprehension activities and created some fantastic descriptions about character's appearances and feelings.

In maths, we have focussed on telling the time to the hour, half hour and quarter past the hour using both analogue and digital clocks. Students have also been using tens frames to help them recall and represent their number bonds and related number facts within 5, 10, 20 and 100. Students are beginning to realise that if they know their number bonds they are able to solve number problems quickly and accurately.

During PE sessions, students have developed their football skills and have continued to engage in healthy competition. There has been a noticeable improvement in their dribbling, passing and receiving and decision making skills.

Dover class love cooking! Fortunately, they also love a challenge! Over the past few weeks, students have been tasked with reading a recipe and cooking in small groups as independently as possible. The students have made us all so proud by demonstrating wonderful team work and problem solving skills. We have praised students for using their initiative and supporting each other well.

In February, the class thoroughly enjoyed the 'try a bike session'. There were lots of laughter and smiles, whilst trying out some the unusual bikes.

Have a great half term!
