Class Name:

Term: Term 4 2022-2023

Topic:

What we have been learning this term:

This term in Plympton we have seen the arrival of finer weather!

Our Monday morning outings to Growing2Gether at Highclere have been the start of our growing season. We have many different things in the ground and raised beds including: sunflowers, poppies, lettuce, courgette, peas, and carrots. We look forward to watching our plot blossom over the year.

We're sad to say our sown at Post 16 have been eaten by a potential pest... However we are investigating with a wildlife camera to find out what is eating our seeds!

Work experience has continued for some at Sainsbury's and SCOPE in Newbury and we've had some warm feedback from the staff accommodating our students for their placements.

In class cooking we've revisited independence and meals for life skills, taking basic and nutritional recipes that can be cooked in quick succession. We have had some great efforts over this term. Our Class have also used the cooking sessions for enterprise, baking and selling treats for others across the key stage.

A big moment for the Post 16 table cricket team coming 4th in the West Berkshire Table Cricket tournament.

Have a great Spring break,

Plympton Class team

Some photos of us!
