

# Classroom News

Class Name: Windsor

Term: Spring term 2 2022-2023

Topic: On the Move

## What we have been learning this term:

Windsor class have been learning how to get on a train safely, with Maddy, from Great Western trains. We had a train workshop with Maddy, and also had a fantastic train trip. We made train safety posters, as part of our PSHE lessons.

In PSHE, we have also been exploring our new, wellbeing bag, and finding out what resources make us feel happy and calm.

Windsor visited Newbury museum, and did a transport trail. Everyone was able to communicate well, and had lots of fun dressing up in the historical costumes!

We had a great trip to Costa coffee, and students were able to order and pay for their own drinks and cake. It was lovely to see everyone talking to each other and being great friends. We are very lucky to have such great friendships in our class, and everyone looks after each other.

In Maths, we have been learning the days of the week, and what happens on each day of the week. Some of us have been learning what day it was yesterday and what day it will be tomorrow. We have also been learning about time, and how many things we can do in a second, minute and hour. We have started to learn about positional language, including in, on, under and behind, and had lots of fun trying on and hiding funny wigs!

We have continued to go shopping, and to practice our money skills in our class snack shop.

We were lucky enough to have a visit from Everyone Cycling, and were able to try lots of different bikes. It was fab to see everyone smiling and having a go. We hope you have a lovely Easter Holiday, and look forward to seeing everyone, when we come back to school.

## Some photos of us!

## Dates & Points to remember:

Last day of term: Friday 31<sup>st</sup> March

First day of Summer term: Monday 17<sup>th</sup> April

Thursday 4<sup>th</sup> April – Agricultural Challenge final

Hayley will email with more trip dates shortly.
