Class Name: Totnes

Term: Term 4 2023-2024

Topic:

What we have been doing this term:

Some photos of us!

A busy half term for Totnes Class with Tim taking some time off to help look after his newborn baby and the class having a new teacher in Kieron. The pupils have coped brilliantly with this change and have acted very maturely.

In Science, we looked at our internal organs and their functions e.g. pancreas. We explored the circulatory system and looked at why the heart and lungs are so important.

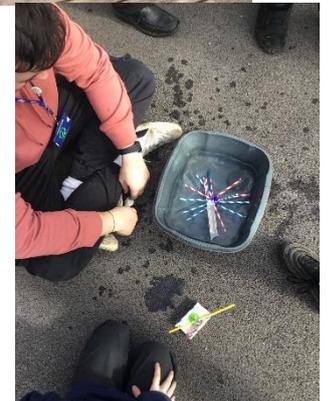

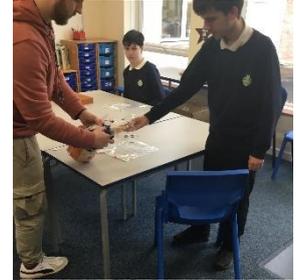

In English, we continued to work on our reading skills and we used one lesson to explore the history of Formula One.

In Cooking, we have made cheese toasties and milkshakes, savoury pretzels and chocolate brownies. The class continue to work on following recipes and understanding what equipment is needed for specific recipes.

Out in the Community we have visited Donnington Castle and then the park. There were lots of over *friendly* dogs which the class enjoyed saying hello to. As well as this, we took a trip Thatcham Lakes to feed the ducks and geese, walk around the lake and Kieron managed to fall over in the mud in the park – much to the amusement of everybody else!

Whilst out in the community, the class have developed their budgeting skills by going shopping in both Lidl and Tesco. The students liked the use of “just a Lidl shop” whilst out...

Have a lovely Easter and see you in a couple of weeks.
Totnes Class Team.

Dates & Points to remember:

Last day of term: Thursday 28th March

First day back: Monday 15th April
